

Question A friend of mine committed suicide and I am wondering if that person will be resurrected or has missed out on their chance because of taking their own life.

Answer Your friend will definitely be resurrected! God's mercy extends to everyone who has ever lived. Most people have no idea of God or Jesus Christ and the Bible, but God will overlook this – Acts 17:30

We have all sinned by breaking God's law, 1 John 3:4. The Bible tells us that the wages of sin is death, but that Christ paid the penalty for us by His sacrifice, as Creator of all, Romans 6:23

Their time to learn about God's Laws will be after they are resurrected. Then they will be taught these things, along with the value of life.
